

Addendum to Catalog

Effective: December 16th, 2024

Due to the ESCO R-410A Certification being phased out January 1, 2025, ETI School of Skilled Trades will be administering the **ESCO Low GWP Refrigeration Safety Certification** in its place. The cost will remain the same.

The R-410A Certification is currently noted in the 2024-2025 Catalog on the following pages:

- Page 5 – Under Educational Objectives
- Page 18 – Under HVAC 104: Air Conditioning, Refrigeration & EPA Course Description
 - Page 21 – Under Tuition & Fees for the HVAC/R Program

Applies to students enrolled and/or enrolling in the HVAC/R for both Day and Night Classes

Approved by: Marianna Caniglia, Campus President 12/16/2024
