

Addendum to Catalog
Effective: July 1, 2024

This addendum to the Catalog will apply to all students who are currently enrolled and/or will become enrolled moving forward; in either the HVAC/R program or Skilled Welder Program.

Addendum to Page 28

ETI School of Skilled Trades has made the decision to remove the graduation requirement for the successful completion of EPA 608 Universal Certification (HVAC/R Program).

Current Requirements

GRADUATION REQUIREMENTS

A Certificate of Completion will be issued to each student who has completed all course requirements that include:

- ▶ A minimum grade percentage average of 2.0 on a 4.0 scale for each level.
- ▶ Have made arrangements to settle any outstanding financial obligation
- ▶ Successful completion of EPA 608 Universal Certification (HVAC/R Program Only)

Updated Requirements – Effective July 1, 2024

GRADUATION REQUIREMENTS

A Certificate of Completion will be issued to each student who has completed all course requirements that include:

- ▶ A minimum grade percentage average of 2.0 on a 4.0 scale for each module.
- ▶ A minimum attendance of 80% per module.
